Publication information

This issue lists only papers released by the PPAVI editorial team. Article identifiers and DOI links appear on each article page once registered.

Copyright and license: Published articles in this issue are licensed under Creative Commons Attribution-ShareAlike 4.0 International (CC BY-SA 4.0). Reuse requires appropriate credit, a link to the license, and an indication of changes. Adaptations must use the same or a compatible license. https://creativecommons.org/licenses/by-sa/4.0/. The unpublished layout sample is excluded.

Submissions undergo technical screening and peer review. The editorial process follows COPE core practices for corrections and concerns; this is not a claim of COPE membership. Similarity reports and Crossmark status are not asserted without verified records.
